

## YENETA SCHOOL MANAGEMENT SYSTEM

It's the first feature-rich, scalable school management system developed in Ethiopia. It is a comprehensive school management software and an educational platform for private and government schools to advance the education system.

It automates a school's diverse operations such as Records and Profiles Management, Timetable Generation, Exam Management, Grades Management, Events, School Calendar, Internal Mail, Mobile Announcement, Authentic Reports and many more essential features needed in a day to day activities inside a school.

YENETA's online dashboard automate schools starting from a single school without branches to all private and government schools in the country.

**YENETA** IS FULLY  
BROWSER-BASED SOFTWARE  
THAT RUNS ON MINIMAL  
HARDWARE AND EASILY  
FITS IN THE BUDGET OF SCHOOLS

### FEATURES

#### STUNNING USER INTERFACE:

We have highly worried on the ease of using YENETA with a splendid user interfaces everywhere.

#### USER FRIENDLY DASHBOARD:

Our dashboards are really authentic that even allows you to define your own custom reports.

#### STUDENT INFORMATION:

We trace student's information starting from school enrollment onwards.

#### FLEXIBLE GRADING SYSTEM:

It permits you to define how you grade your students, be it a letter, numbering or even a mixed grading system.

#### INTERNAL MAIL:

All staff members' communication inside a school is indispensable. This feature gives you an internal email within colleagues.

#### MOBILE ANNOUNCEMENT:

No need of using printed matters to convey announcement to parents. Use a quick mobile SMS to a single individual or group of entities instead.

#### SCHOOL PROGRAM:

We know how scheduling classes with many known factors in a given school is a pains-taking work. Let YENETA to do it for you.

#### NOTIFY NATIONAL EXAM:

Let your students be the first to hear their national exam result via cell phone.

AUTOMATE SCHOOLS WITH BRANCHES  
*(Cloud Version : Online)*

This is something Awe-inspiring!

Suppose you own a school that has four branches in Ethiopia, by only subscribing YENETA for the respective schools, guess something AWESOME! We will let you manage all of them right from your mobile phone!
